Literature and philosophy are important inspirations for the artist.

Thus, the fate of the legendary luxury ship "Titanic" (sunken 1912) is the subject of this painting. The metaphor "haughtiness comes before the event" means that exaggerated self-esteem may lead to disaster. In June 2023, another catastrophe happened, when the luxurious "high-tech" submarine boat imploded during its dive to the titanic wreck, thus killing 5 persons. However, we do not know, if the proud iceberg has already become a victim of clima-
